

Performance Ascent Trainer

TOUCH CONSOLE

A-PS-TOUCH

Offer full-body, low-impact intensity with an Ascent Trainer that withstands heavy use for years. Patented suspension design, variable stride length and refined ergonomics keep workouts quiet, smooth and natural, even when incline is increased to target and tone different muscles. Includes water bottle holder and removable disk to streamline maintenance.

WiFi-enabled Touch Console features an app-based interface that mirrors familiar smartphone and tablet operating systems, making it easy for members to connect to the content that keeps them moving.

Note: Products with Touch Console must be connected to a power source.
