

## Performance Treadmill

PREMIUM LED CONSOLE

T-PS-PLED

For runners who demand intense performance and comfort in one, our Performance Treadmill exceeds expectations. Precision-engineered and powerful, our durable components stand up to heavy use, high-intensity workouts and performance training for years, and smart maintenance features make it easy to keep it ready for a steady stream of true enthusiasts.

Give members the intuitive navigation of an LED with a more engaging look. An 8,000-pixel display fills the screen with color and sharp graphics, providing clear, easy-to-read feedback in large numbers and letters.
