

IC700

IC700

Now everyone at your facility can expect a solid, studio-style ride every time thanks to our IC700 Indoor Cycle. Everything about it is intuitive, from the four-way adjustable design to the seamlessly smooth transitions of the magnetic resistance to the streamlined service and maintenance. It's also passed rigorous endurance tests, so like everything from Vision, you can count on years of lasting durability. Bring the IC700 Indoor Cycle to your facility today to give your users a simply reliable way to ride.
