

## Performance Elliptical

TOUCH CONSOLE

E-PS-TOUCH

The premium design of our durable Performance Elliptical offers a dynamic exercise experience. Patented suspension design minimizes noise and friction to extend product life, while constant rate of acceleration and refined ergonomics make workouts ultra-smooth and comfortable. A removable disk streamlines service and maintenance, minimizing downtime.

WiFi-enabled Touch Console features an app-based interface that mirrors familiar smartphone and tablet operating systems, making it easy for members to connect to the content that keeps them moving.

**Note:** Products with Touch Console must be connected to a power source.
